

**Three easy ways to help say “NO”  
to the Miller-Pelosi  
No Child Left Behind Act Reauthorization Plan**

**TELEPHONE**

Call your member of Congress and Miller and Pelosi’s office;  
Let them know that they need to oppose this latest version.

**BLOG**

Get on the internet and blog at one of your favorite sites or e-mail friends and get them involved. CTA.org and MyCTA are a good place to start. You can find good blogging at Daily Kos and Calitics. Make your voice heard here and all over the blogosphere.

**TALK**

Talk to our friends in other labor organizations. An injury to one is an injury to all. Get other unions and organizations to sign a letter to Pelosi or pass a resolution.
