

VUSD Deduction Codes Used

Code Type	Description	How it is used
DNP	Deferred Net Pay	The monthly amount set aside by 10 and 11 month employees on a monthly basis to cover July and August payment in the next fiscal year. This provision is provided to classified employees who are currently enrolled.
HW	Health and Welfare	This is for deductions that are considered health insurance: such as Medical premiums or disability insurance.
RET	Retirement	Indicates a deduction for either STRS or PERS for the employer share and the employee share. This is a percentage of your gross earnings.
TAX	Tax	This indicates that it is a tax deduction.
VOL	Voluntary Deduction	Most all other deductions, not mentioned above, will fall under this code type.
INV	Involuntary Deduction	Garnishments will fall under this code type.
	*	Any deduction Type that is preceded by an asterisk indicates that the deduction was taken prior to calculating your taxable gross.
