Memorandum of Understanding
Between
Vacaville Unified School District and
Vacaville Teachers Association

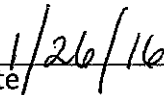

The Vacaville Unified School District and the Vacaville Teachers Association mutually agree to the following amendment regarding Article 9.1.1.

For the 2015-2016 school year only, the hiring ratio for classroom teachers for TK-third grade at each elementary site shall be 26.0 or lower. This hiring ratio will result in each school site having a class size of 26.0 or lower for the 2015-2016 school year.

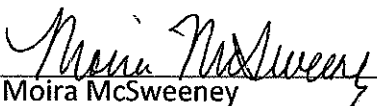

At the end of the 2015-16 fiscal year, the TK-3 hiring ratios will return back to the 2013-14 contract levels even though the District is committed to keep lowering the TK-3 class ratios towards 24:1.
