

JUST THE FACTS...

The VTA/CTA/NEA 18-19 Bargaining Update
Issue #2
November 3, 2018

We continue to be in the planning stages for bargaining.

We have a 2017-2020 contract in place, but have reopeners that we will be bargaining this fall/winter. Article 3 Wages, Article 4.4 for Calendar and Article 5 Health Benefits are automatically opened for bargaining, along with one more article of our choosing. VUSD also may elect to open an additional article.

392 bargaining unit members completed our online survey! Thank you so much for all the great data and input.

The bargaining team met to discuss the survey results and Brenda will present ideas and the additional article to open on November 13, 2018 to the VTA Executive Board.

Brenda has already been in contact with VUSD and plans to sunshine together at the November 15, 2018 school board meeting, pending Executive Board approval.

Your Bargaining Team Members are:

Brenda Hensley (WCW)
Todd Blanset (WCW)
Kim Campbell (Sierra Vista)
Jennifer Lindsey (Cooper)
Jason Jones (Orchard/Browns Valley)

VTA President Tracy Begley (Jepson) often joins us during bargaining sessions.
