

JUST THE FACTS...

The VTA/CTA/NEA 21-22 Bargaining Update Issue #11 May 19, 2022

VTA and VUSD met for 3 hours on May 18, 2022.

VUSD team members: Chris Hulett, Sasha Begell, Ali Eeds, Manalo Garcia, Kelly Burks, Ryan Galles

VTA team members: Brenda Hensley, Kim Campbell, Megan Morris, Annaliese Vasquez, Todd Blanset (President)

We discussed the following topics:

We agreed to the cost of 1% for non-charter VTA bargaining unit expenses as \$562,000. This is a measure that we use to cost items in bargaining that would impact the *General Fund*. Charters are funded from different funds, but anything we agree to for compensation applies to all bargaining members, non-charter and charter included.

VTA shared a list of workload issues to help explain the cumulative reasons why we are so exhausted and are asking for workload relief.

We also started generating a list of interests related to compensation and started to brainstorm compensation options, included but not limited to, increasing the individual medical cap, salary increases, squaring up the salary schedule, and addressing extra work needed in SPED.

Our next Bargaining Dates are set for 5/25 and 6/9.
