the Vacaville Unified School District  
and  
the Vacaville Teachers Association

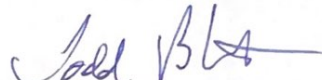

Pilot of Flexible Duty Day for Science/C-STEM Coordinator  
For 2022-2023 School Year Only

Due to the nature of the Science/C-STEM Coordinator's work providing access to science activities for students and families outside of their normal duty day (seven hours), they may adjust, with their consent, the duty day start and end times to accommodate those activities and maintain a seven (7) hour duty day.

Super Saturdays (or Saturday Science Enrichment days) may be used flexibly to offset duty time during the Monday through Friday work week. These dates are with the Science Stem Coordinator's consent and one (1) hour worked on a Saturday would offset one (1) hour of Monday through Friday duty time.

Chris Hulett  
VUSD Assistant Supt. Human Resources

Todd Blanset  
VTA President
