Draft calendars were made with the changes regarding moving the Wednesday early release day to Friday. We are still looking at them and considering the other changes to contract language that would be needed in order to make that early release day change.

We started a new topic of discussion: Article 3.5.3 Initial Placement on the Salary Schedule. The District and VUSD share common interests in changing this article to attract more people to our District. We started brainstorming options for changes to this article.

Next dates for bargaining: 5/10, 5/18 and 5/24.
