2023-2024 Emergency Make Up Days due to Closures

The following provisions shall go into effect on July 1, 2023 and shall expire on June 30, 2024. The parties agree to meet by May 1, 2024 to discuss an extension of these provisions.

In the event that the Vacaville Unified School District should be forced to close a school, several schools or the entire district due to an emergency, additional days may be added to the calendar to make up the instructional time and lost attendance.

Emergencies can include, but are not limited to, smoke and/or fire days, COVID and/or other health emergencies, natural disasters, or other unforeseen catastrophes, which force the closure of schools.

If a single day is needed, then it will be added on March 29, 2024.

If multiple days are needed, days may be added on February 21-23, 2024.

If days are needed after February 23, 2024, then they will be added beginning June 7, 2024.

Presidents' Days shall be designated as February 19, 2024 and February 20, 2024.
