We began discussing a possible hiring bonus for SPED teachers for next year which was proposed by VUSD. We will continue this discussion after the VTA Exec Board meets and gives further guidance on this issue.

We spent more time discussing possible changes for Article 4 which we began in the last bargaining session. There were an overwhelming number of options, so we moved on for now. We will come back to this topic in future sessions.

We continued discussing the transfer process, specifically how to streamline and update it. We have agreed verbally to some changes, but nothing has been finalized yet. We will write up some language to review at the next session.

We had a quick discussion about the first day back from winter break, but nothing was finalized yet.

We started discussing Article 9, class size, but only were able to get our respective interests down at this time.

Future bargaining dates: March 6, March 21, April 3
