

JUST THE FACTS...

The VTA/CTA/NEA 17-18 Bargaining Update

Issue #4

September 8, 2017

The teams met for 6.5 hours on September 8, 2017.

VTA Members:

Brenda Hensley, Jennifer Lindsey, Todd Blanset, Kim Campbell, Tracy Begley

VUSD Members:

Ed Santopadre, Janet Dietrich, Tina Ahn, Adam Wight, Manolo Garcia, Mark Frazier, Jennifer Stahlheber.

VUSD brought data to discuss around completion of short-term independent study packets. Options were discussed. The verbal consensus of the group was to establish a one-year committee to make recommendations to the VTA and VUSD negotiation teams. Brenda will develop language to share with the teams for the next meeting.

The teams brought up two different topics: Professional Development and Health Care. Interests were generated and most of our interests aligned. We generated preliminary options for both topics but are still working them.

Next dates: 9/13/17 and 10/3/17.
