Contract Bargaining:

We did not discuss anything related to the 2020-2021 contract today.

Reopening Schools:

Thank you to everyone who reached out to VTA Directors and Leadership since our last bargaining session to give feedback.

We have reached a Tentative MOU (not yet signed) for Elementary Changes to the Red/Orange Tier Reopening MOU.

Please see attached.

Here is a tentative timeline of events for moving forward with this MOU:
Executive Board will meet to discuss the Elementary Changes MOU on 2/20/21

If the Executive Board recommends it for a membership vote, then we will have an Elementary Meeting (webinar style) on 2/25/2021 to present the MOU.

We will have voting on the MOU by Elementary unit members only, tentatively scheduled for 2/26/2021-3/3/2021.

We discussed changes to the secondary schedule to allow for in-person flextime options for students but have not finalized language for that. We expect to finalize a Secondary Changes MOU at our 2/24/2021 bargaining session.
